

Pharmacy and Gift Shop

The CMH Regional Health System Pharmacy and Gift Shop is located on the ground floor of the atrium of Clinton Memorial Hospital.

The patient audience for the pharmacy is those being discharged from any hospital based service—after outpatient surgery, an inpatient stay or an emergency visit.

The pharmacy, which accepts many insurance plans, also serves CMH employees, volunteers and their covered dependents with CMH and other prescription plans. Take your medical plan card to the pharmacy when you have a prescription to fill.

It is easy for employees to transfer a prescription from another pharmacy. Just drop off your prescription container and

the pharmacy will take care of transferring your prescription.

MasterCard, Visa and Discover are accepted and employees have the option of utilizing payroll deduction.

The 90 day retail option under the CMH medical plan is also available so that employees may stretch their dollars further by being able to buy a three-month supply for the cost of two months.

The gift shop offers the traditional wares of hospital gift shops such as cards, fresh flowers and balloons along with personal accessories such as jewelry, handbags and scarves.

There are candles and other home decor items available as well as stuffed animals and gifts for new babies.

The gift shop sells coffee, soft drinks, cold sandwiches and salads along with a variety of snacks and candy.

There is a small dining area in the gift shop for patrons to relax and enjoy a beverage or snack.

The CMH Pharmacy and Gift shop is open Monday through Friday from 9 a.m. to 7 p.m.
