

Attention: Displaced Airpark Workers

**The Clinton County Foundation and
CMH Regional Health System
have funds available to
Support the Healthcare of
Displaced Airpark Workers and
Their Families**

If you are a displaced airpark worker or a dependent in the worker's home*,
CMH Family Health Center and
CMH Pediatric and Adolescent Services
will offer primary health care at no cost.

To schedule an appointment call:
Family Health Center at 937-383-3402
CMH Pediatric and Adolescent Services at 937-382-4677

- ◆ The Clinton County Foundation (CCF) and CMH Regional Health System (CMH) will provide the routine health services and direct physician office expense for any displaced airpark worker with out insurance.
- ◆ CCF and CMH will subsidize displaced airpark workers with insurance, who are still unemployed, by providing the co-pay.

* Families considered for the provision of this program will include displaced worker, spouse, children and other persons living as a dependent in the worker's home.
